## REPORT

## For Covered Services Provided in the State of Nebraska

NE Colorado Cellular, Inc., d/b/a Viaero Wireless (“Viaero” or the “Company”), a wireless service provider designated as an Eligible Telecommunications Carrier (“ETC”) in the State of Nebraska, hereby submits this Report to the Commission in accordance with recent directives issued by the Commission.

Specifically, the *CAF Clarification Order*<sup>1</sup> requires any entity designated as an ETC by a state or territorial regulatory authority pursuant to Section 214(e) of the Communications Act of 1934<sup>2</sup> to file with the Commission in 2012 the information described in Section 54.313(a)(2)-(6) of the Commission's Rules,<sup>3</sup> as it pertains to voice service provided by the ETC during 2011, to the extent the ETC is required to submit such information in annual reports to the designating state or territorial regulatory authority.<sup>4</sup>

<sup>1</sup> *Connect America Fund*, WC Docket No. 10-90, *et al.*, Order, 27 FCC Rcd 605 (Wireline Comp. Bur., Wireless Telecom. Bur. 2012) (“*CAF Clarification Order*”).

<sup>2</sup> 47 U.S.C. § 214(e).

<sup>3</sup> 47 C.F.R. § 54.313(a)(2)-(6). This information relates to system outages, unfulfilled requests for service, customer complaints, certification of compliance with service quality standards and consumer protection rules, and certification of an ETC's ability to function in emergency situations.

<sup>4</sup> *CAF Clarification Order*, 27 FCC Rcd at 607-08.

The Wireline Competition Bureau subsequently notified ETCs that information filed pursuant to Section 54.313(a)(2)-(6) of the Commission's Rules must be filed not later than July 2, 2012, with the Commission, and also with the Administrator of the Universal Service Administrative Company, the relevant state commission, the relevant authority in a U.S. Territory, or Tribal governments, as appropriate.<sup>5</sup>

Information that will be submitted by Viaero this year to the Nebraska Public Service Commission,<sup>6</sup> and that is within the parameters of the filing requirements adopted in the *CAF Clarification Order* and contained in Section 54.313(a)(2)-(6) of the Commission's Rules, is hereby reported to the Commission in the following sections.

**1. Outage Reporting.**

An ETC must report any outages of at least 30 minutes in duration on the facilities it owns, operates, leases, or otherwise utilizes that potentially affect at least 10 percent of the end users served in its designated service area or affect a 911 special facility.<sup>7</sup>

---

<sup>5</sup> *Wireline Competition Bureau Announces Filing Deadline of July 2, 2012, for Eligible Telecommunications Carriers To File Reports Pursuant to Section 54.313(a)(2) Through (a)(6) of the Commission's Rules*, WC Docket No. 10-90, *et al.*, Public Notice, DA 12-729 (rel. May 8, 2012) (citing 47 C.F.R. § 54.313(i)).

<sup>6</sup> The annual state ETC reporting deadline for Viaero in Nebraska is October 1. The information submitted to the Commission by Viaero in today's Report reflects information that will be submitted to the Nebraska Public Service Commission.

<sup>7</sup> See 47 C.F.R. § 54.313(a)(2). With regard to 911 special facilities, Section 4.5(e) of the Commission's Rules provides as follows:

An outage that potentially affects a 911 special facility occurs whenever:

(1) There is a loss of communications to PSAP(s) potentially affecting at least 900,000 user-minutes and: The failure is neither at the PSAP(s) nor on the premises of the PSAP(s); no reroute for all end users was available; and the outage lasts 30 minutes or more; or

(2) There is a loss of 911 call processing capabilities in one or more E-911 tandems/selective routers for at least 30 minutes duration; or

Viaero experienced **[BEGIN CONFIDENTIAL INFORMATION]** [REDACTED] **[END CONFIDENTIAL INFORMATION]** outages, as described, in its designated service area in Nebraska during the reporting period.

**2. Service Requests.**

With respect to the number of requests for service from potential customers within Viaero's service areas in Nebraska that were unfulfilled during the period from January 1, 2011, through December 31, 2011,<sup>8</sup> Viaero, in its report to the Nebraska Public Service Commission that is due on October 1, 2012, will advise the Nebraska commission as follows: It is difficult, if not impossible, for Viaero to quantify unfulfilled requests for service within its ETC service territory. Viaero offers all of its customers, including those outside supported areas, the opportunity to return their handset and cancel newly activated service within fifteen (15) days. Throughout Viaero's four-state service territory, **[BEGIN CONFIDENTIAL INFORMATION]** [REDACTED] **[END CONFIDENTIAL INFORMATION]** customers avail themselves of this program each month. Viaero does not track the number of these customers within supported areas in Nebraska, nor does Viaero verify or dispute any coverage issues claimed by customers. Often customers use the program for reasons other than inadequate service where

(3) One or more end-office or MSC switches or host/remote clusters is isolated from 911 service for at least 30 minutes and potentially affects at least 900,000 user-minutes; or

(4) There is a loss of ANI/ALI (associated name and location information) and/or a failure of location determination equipment, including Phase II equipment, for at least 30 minutes and potentially affecting at least 900,000 user-minutes (provided that the ANI/ALI or location determination equipment was then currently deployed and in use, and the failure is neither at the PSAP(s) or on the premises of the PSAP(s)). 47 C.F.R. § 4.5(e).

they live, work, and play, such as dissatisfaction with a particular handset, desire for a different rate plan (such as a prepaid plan), or for reasons they do not specify.

**3. Consumer Complaints.**

For the period from January 1, 2011, through December 31, 2011, the ratio of consumer complaints filed with either the Commission or the Nebraska Public Service Commission regarding Viaero's service in the designated ETC service area was [BEGIN CONFIDENTIAL INFORMATION] [REDACTED] [END CONFIDENTIAL INFORMATION] complaints per 1,000 handsets.<sup>9</sup>

**4. Ability to Remain Functional in Emergencies.**

An ETC must demonstrate its ability to function in emergency situations as required under the FCC's rules. Viaero hereby certifies that the Company is capable of functioning in emergency situations in its designated service area in Nebraska as set forth in 47 C.F.R. § 54.202(a).

**5. Commitment to CTIA's Consumer Code of Wireless Service.**

An ETC must commit to abide by the CTIA Code or other consumer protection and service quality standards. Viaero certifies that it will continue to abide by the CTIA Code, as it may be amended from time to time, for all of its operations in Nebraska.

Viaero trusts that the Commission will find this Report responsive to the reporting requirements specified in the *CAF Clarification Order*.
